

Te Piki Oranga
MĀORI WELLNESS SERVICES

Whare Ora Healthy Homes

Te Piki Oranga is a provider of the Whare Ora / Healthy Homes service for whānau in the Whakatū / Nelson, Tasman and Wairau / Marlborough regions.

The service aims to:

- increase the number of children and their whānau living in warm, dry, and safer homes
- reduce the number of children needing medical care for health conditions caused by unhealthy homes.

Healthy homes kaimahi work with whānau to:

- look at issues in the home that cause mould, condensation and draughts
- equip their home with safety devices for young tamariki
- offer support with any tenancy needs
- improve the functionality of crowded living situations.

How to access Whare Ora / Healthy Homes support

If you are hāpu (pregnant) or have young tamariki aged 0-5 years old living with you, we may be able to provide support to improve your housing conditions.
